

DENNIS T. KONDO – Custom Gate Options

12/02

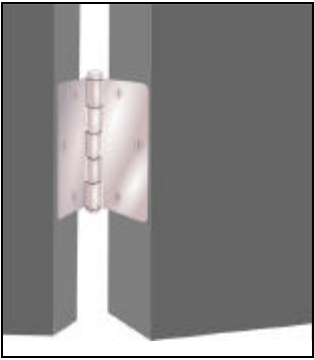

Lever Handle Lock

Heavy duty, entry type, lever handle, cylindrical lockset. Conforms to Handicap Code ANSI A156.2 Series 4000. Keylock on one side and button lock on the other side. Standard dull chrome finish. Included is a gate latch post with an integrated bumpered stop.

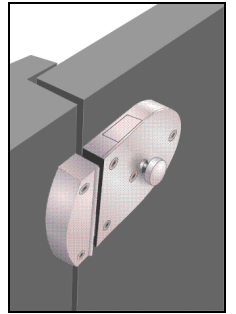

Five Knuckle Door Hinges

Standard 3-1/2" x 3-1/2", unidirectional, free swinging or self-closing hinges. Self-closing hinges have an adjustable spring tension control. Hinges are mortised into the door and post and have 1/4" radius corners. Standard finish is 26D brushed chrome. Included is a gate latch post with an integrated bumpered stop.

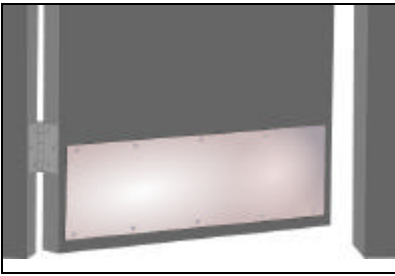

Secret Gate Latch

Self-latching, keyless, 2-3/8" x 2", surface mounted unit, with a "secret" button release and small pull knob. No visible hardware on the opposite face. An economical alternative for medium security. Standard finish is aluminum. Included is a gate latch post with an integrated bumpered stop.

Kickplate

Heavy gauge stainless steel, 34" width, shipped with a protective peel off film mask and mounted to either one or both sides of the door panel.

Specifications are subject to change without prior notice. Field installation is not included. If you have any questions, please do not hesitate to contact us.
